

Visit USA Cheer website page for more information regarding the music requirement guidelines.

USA Preferred Music Providers:

<http://usacheer.net/presssafety/preferred-providers>

Providers who offer cover music and original music:

The following companies provide cover music with the proper licensing to be able to edit the recordings as needed and create original songs and recordings to which you own or license the rights by written agreement.

CheerSounds

CheerSounds offers licensed cheerleading and dance music to fit every team's style and budget. Browse their music library, create your own mix online, or have a custom mix built for you. New music content will be added throughout the season; store opens June 13th.

Email: info@cheersounds.com

Phone: (631) 724-1237

Website: <http://www.CheerSounds.com>

Innovative Performance Productions (IPP)

IPP offers both original and royalty free content that is properly licensed for use in cheerleading and dance music. Their custom mixes are affordable for every team. Additionally, they have a catalog of properly licensed premade mixes that fit any team's budget. All premade mixes can be further customized to fit your choreography and/or personality.

Power Music Cheer!

Power Music is the world's #1 provider of Activity / Dance / Fitness music for over 30 years. Available now for Cheer and Dance teams everywhere are over 50,000 originals and active remixes of the biggest chart hits of today and yesterday (and new songs added weekly!) Vocal and Instrumental bounce outs are made available to its clients. Let Power Music provide the cheer to your mix today!

Email: licensing@powermusic.com

Website: www.powermusiclicensing.com

Unleash the Beats

The team at Yes! Music has created a way to easily obtain a Master License to use any of their recordings in your cheer and dance routines. [Unleashthebeats.com](http://unleashthebeats.com) has a catalog of almost 50,000 songs including today's hits and yesterday's classics. They also provide elements like isolated vocal and instrumental versions so you can isolate and accentuate exactly what you want to create drama and excitement.

Website: <http://www.unleashthebeats.com/>

Providers who offer original music only:

Any original provider on this list, who includes existing recordings in the music they sell, to which licenses for the rights to use the existing recording and publishing are also not provided, will be removed from this list.

230 Creations

You put hard work and incredible dedication into your performances, you want a soundtrack that is going to match that. 230 Creations has been putting that kind of devotion and care into every mix for 15 years. Our mixes are sure to bring out your creativity, match your energy, and set you up for success. Affordable price points for any mix to fit your needs.

A Go! Fight! Win! Music! partner.
